RagTag Sessions are held at Broadford.

Our workshops are a 'safe place' where students are able to socialise, relax and focus on being creative. These things, in themselves, are therapeutic. Below are some ideas of activities you may find helpful in taking part in:-

Making things in a workshop
Trying new crafts
Supporting the charity shop
Chatting and meeting new people
Helping in the garden

Please tell us if you have any crafts, hobbies or interests that you might like to pursue at Rag Tag:

Please tell us what other areas you would wish to focus on during your workshop sessions:

E.g.
Building confidence and self-esteem
Learning new skills
Building confidence when talking with others
Improving mental health and overall wellbeing
Feeling part of a supportive community
Reducing feelings of isolation and loneliness
Building concentration skills

Are there any barriers making it difficult to get to RagTag: e.g. transport, as we may be able to help. Please give details:

Please tell us if there is anything else that we need to know, for example health or mobility issues, allergies etc, to ensure a safe environment for you attending our premises:
